THE LAND OF "STEADY HABITS".

How Connecticut Youths Enjoy Themselves on a "Train."

(Waterbury Conn.) American.

On the train which reached Waterbury at 9 o'clock last evening, were three or four little boys, the oldest of whom could not have been more than 12 or 14 years old, all bearded drunk. Two of them were maudlin and kept up an unintelligible jargon, while the third and smallest of the party lay across a seat dead drunk. He presented a most sickening appearance, which had the effect to drive from the car all who were not so drunk as to be past being affected by the sight, and his companions were too drunk to lead any assistance. When the train reached this station, a brakeman dragged the poor wretch from the car and laid him on the platform, whence he was dragged away by some bystanders. A half-score of young men, 20 years old and upward, were also on the train, and were in various stages of intoxication, some being unable to walk without assistance. It is bad enough to see a full-grown man bereft of his reason and wallowing like a hog, but when tender infants get into the condition of those mentioned above, the case seems ten times more deplorable.

LIVER REGULATOR.

ASK THE recovered Bilious sufferer, or sufferer of Fever and Ague, the malarial disease patient how they recovered health, cheerful spirits and good appetite—they will tell you by taking SIMMONS' LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Biliousness, SICK HEADACHE, Colic, Depression of Spirits, SORE STOMACH, Heart Burn, &c., &c.

This unrivaled Southern Remedy is warranted not to contain a single particle of MERCURY, or any injurious mineral substance, but is

PURELY VEGETABLE.

containing those Southern Roots and Herbs, which an all-wise Providence has placed in countries where Liver Diseases must prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

THE SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bile is naturally costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility, Low Spirits, a thick yellow appearance of the Skin and Eyes, a dry Cough often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others a very few; but the Liver, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, weakness and DEATH will ensue. I can recommend as an efficacious remedy for diseases of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator.

LEWIS G. WUNDER, 1235 Market street, Assistant Postmaster, Philadelphia.

"We have tested its virtues, personally, and know that for Dyspepsia, Biliousness, and Throbbing headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief; but the Regulator not only relieved, but cured us."
